So what *really* happens at a Casting Call? We asked a few members of our trusty Casting Call crew to give us a sneak peek behind the curtain and into the glamorous world of Playboy model auditions. **STACY COLLINS, Executive Editor:** *Since the ultimate goal of a Casting Call is to find extraordinary girls who have what it takes to be a part of the Playboy family, every other month we take our model auditions on the road. And while it's not every day that a girl takes off her*

*"Over the years I've seen lots of girls without any modeling experience become Cyber Girls, SE models and even Playmates, all because they took that one chance and came to a Casting Call." - STACY COLLINS*

*clothes in front of a photographer, we do our best to make every girl feel at ease. JAMES BANASIAK, Photographer:* *Nearly every girl who comes into my room is a bundle of nerves, so I try to build a rapport with her. I'll ask her questions to get her talking and find some common ground. Every girl is different so I improvise a lot! KATE HORTON, Content Production Manager:* *Being on the front lines at a Casting Call I meet every girl who comes through the process. It's part of my job to answer questions, calm nerves, give girls advice about what outfit to wear and to generally help them understand the opportunities within the Playboy universe.*
